

ParamontEO
An Electrical Supply Company

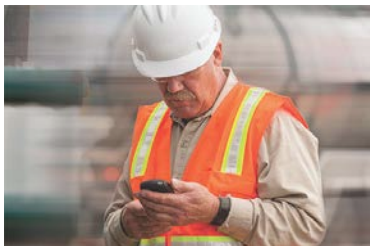

DELIVERY MANAGEMENT SOLUTIONS

NO WAITING. NO WONDERING. NO WORRIES.

Know where your shipments are in real-time. Get a text ahead before your material arrives. Have electronic delivery acknowledgement and photo confirmation sent to whomever you choose.

- Email

Designate who receives them

- Field Personnel
- Project Management
- Accounts Payable
- Update as needed

DIGITAL LOGISTICS MANAGEMENT

How it Works

While our platform drives efficiencies by eliminating the need for phone calls and paper trails, it does require some additional coordination.

Work with your outside salesperson to get the process started and be sure to specify who should be receiving notifications from one jobsite to the next moving forward so we keep the *right* people informed.

GET STARTED TODAY!

Reach out to your outside salesperson to initiate set up of your company profile and preferences.
